

ENVIRONMENTAL POLICY

All employees are required to obey and fulfil with the following procedures:

The Policy Purpose:

The purpose of this policy is to describe the guidelines for the environmental policy adopted by OPTSCS.

The policy of OPTSCS is to protect and preserve the environment in natural condition and restore environment back to initial condition.

OPTSCS and its partners are committed to conduct all operations in line with environmental need and all relevant legislations with quality service in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the environment. OPTSCS are also committed to recover and clean worksite after contract completion.

OPTSCS to operate in compliance with all relevant environmental legislation and we will endeavor to use pollution prevention and environmental best practices as follow:

- Educate and inform OPTSCS's employees about environmental matters that may affect their work
- Reduce waste through re-use and recycling the waste material where these processes are available, economical and suitable
- Promote environmental awareness among OPTSCS's employees and encourage them to work in an environmentally responsible manner
- Avoid unnecessary use of hazardous materials and products, pursue replacements when feasible, and take all practical steps to protect human health and the environment
- Utilize environmentally responsible products accordingly
- Promote efficient use of materials and resources throughout OPTSCS's facility including water, electricity, raw materials and other resources
- When a significant health, safety or environmental hazards exist, develop a appropriate emergency and spill response plan
- The identified corrective and preventative actions are immediately approved and handled by management
- Endeavor to continually improve our environmental concert and minimize the impact and damage of activities by reviewing the environmental policy according to future activities.

This policy is subject to review / Edit on regular basis

Signed (on behalf of OPTSCS Director)

Zubaida Mohamed
